

Douglas Acres Neighborhood Association
General Meeting
May 9, 2006
Staves Church

Treasurer's report:

Old Business: Joe Youngwirth reported that the medians on Euclid (E. 26th to E. 29th) are due to be replaced in July.

New Business:

- Anna Vance moved and Mary Whisenand seconded that Douglas Acres donate \$30 to East High School for new planters.
- Tom Hockensmith updated the group on county affairs. He also presented Linda Westergaard with a check for \$3000 from the community betterment fund. We use this money to print and send newsletters to every household in the neighborhood.
- A potential problem was brought up concerning a new family that has pit bull adults and puppies.

The next meeting is the ice cream social July 11 at Sargent's Park.

The meeting was adjourned and refreshments were served.
